IRIS

Fleeta

(1956)

\$25.00

No. 53-70 — 51-29 X T51-60

A medium light pink self with pinkish red beard, from a Mary Randall seedling which was $\frac{1}{8}$ Pallida. This breeding gives Fleeta thickness of petal, and a large completely hardy plant with blue-green foliage. The large flowers are nicely ruffled and are carried on a well-branched strong 37-inch stalk. The standards are swirled together so they do not pop open. The falls flare nicely. Has pollen; sets seed easily. H. C. 1954.

Galilee

(1956)

\$20.00

No. 53-86 — Butterfly Blue X Bluebird Blue

A medium blue self with a white beard. Galilee is a beautiful real blue Iris which does not fade. The flowers are large, round and full petaled with no haft marks, and are carried on a low-branched strong straight stem 28 to 30 inches tall. It sets seed well, but has no pollen. A very strong plant with blue-green leaves. H. C. 1955.

Total Eclipse

(1956)

\$25.00

**No. 53-91 — Black Hills crossed back
to its Pod Parent**

A very large and tall blue-black Iris with a beard which is almost black, tipped in light blue. A large and vigorous plant. The 45-inch stem is strong and straight with four branches and terminal, producing 10 or 11 flowers on a main bloom stem. The flowers have very good form, with closed standards, flaring falls, no haft marks and very good substance. Fertile both ways. H. C. 1954.

Garden Visitors are always welcome

Cliffs of Dover \$7.50

(1953)

No. 49-17 — New Snow X Cahokia

Large, flaring and ruffled clear white flowers of great substance, borne on 36-inch sturdy bloom stems. There are no haft markings and the beard is light yellow. A good grower and fast increaser. Blue-green foliage. Completely winter hardy at Chicago. Mid-season. H. C. 1952; H. M. 1953; A. M. 1955; 100 Best 1955.

Bluebird Blue \$6.00

(1953)

No. 49-28 — Helen McGregor X Cahokia

Large, full, round and tailored flowers of the clearest shade of medium blue. Does not fade. Beard white tipped lemon. Well-branched 36-inch bloom stem. Very nice plants; have withstood 25 degrees below zero without damage. Mid-season. H. C. 1950; H. M. 1954.

Butterfly Blue \$6.00

(1952)

No. 49-24 — 47-34 X Cahokia

A clear light blue self with a pale lemon beard and a frosted finish. There are no haft markings. Flowers are semi-flaring and nicely ruffled. The 40-inch stem is strong and well branched. Late bloomer; winter hardy; good increaser. H. M. 1953.

Black Hills (1951) \$5.00

No. 49-21 — 47-21 X Black Forest

A blue black Iris as tall and as large as the best Irises in other color classes. This full-petaled, nicely proportioned, flaring and stylish blue black flower with a beard to match and no haft markings, is borne on a well-branched stalk 48 inches tall; 12 flowers on a main bloom stem. A fast increaser and vigorous grower. Mid-season. A very good parent. H. C. 1950; H. M. 1952; A. M. 1954; 100 Best 1955.

Big Game \$15.00

(1954)

No. 50-06 — 48-61 X 48-43

No. 48-61 is Snow Flurry X Chivalry

No. 48-43 is 44-44-Blue Seedling X Chivalry

A self of the deepest shade of violet (R.H. S. Color Chart). The very straight 38-inch bloom stem, which usually has three huge flowers open at one time, has never required staking. There are three buds in each bud socket which produce from 12 to 15 flowers on each main bloom stem. This gives a very long season of bloom. It begins with the early bloomers, and at the end of the season is still blooming — the last flowers as large and beautiful as the first. H. M. 1954.

Mary Randall \$12.00

(1951)

No. T48-3

New Horizon X F2 Pink Seedling

DYKES MEDAL 1954

A very nice rose pink flower with tangerine beard. Flowers are well spaced on a strong nicely-branched 36-inch stalk. Plants are large and vigorous with good foliage. Mid-season. H. C. 1950; H. M. 1951; Leader A. M. 1953; No. 3, 100 Best 1955.

Native Dancer \$15.00

(1954)

No. 51-32 — 48-41 X Mary Randall

No. 48-41 is Peach Pink Seedling, Second Generation
from Pink Cameo X I. Pallida

This peach pink flower with tangerine beard is carried on a strong well-branched 38-inch stem. A main bloom stem produces 12 flowers. The flowers are large, of good substance, wide clean haft, semi-flaring falls, and closed standards. The plant is large, vigorous, winter hardy, and has blue-green foliage. A medium increaser. H. M. 1955.

Truly Yours

(1949)

\$7.50

No. 46-35 — 44-43 X Zantha

DYKES MEDAL 1953

A truly new flower and combination of color in the Iris world. The buds are bright yellow because the under side of the open fall is yellow and the top side is faced with white. The heart of the flower is bright yellow, which shades off to almost white at the bottom of the falls and the top of the standards. Both standards and falls are ruffled. The haft is very wide with gold threads radiating from the yellow beard. It blooms very late in the season; is winter hardy; 38 inches tall. H.C.1949; A.M. 1951; No. 1, 100 Best 1955.

Tranquility

(1950)

\$2.50

No. 46-36 — Snow Flurry X Katherine Fay

This very large milk-white flower is carried on a perfectly branched strong stem 38 inches tall. The haft is wide and clean and the beard is white. The flower is round and full petaled, with nicely flaring falls and domed standards. Very large strong plants with blue green leaves. Completely winter hardy at Chicago. Mid-season. H.M. 1950. A.M. 1953; 100 Best 1955.

HEMEROCALLIS

Perky

(1956)

\$7.50

No. T49-14 — North Star X Joanna Hutchins

Perky is a large 6½-inch yellow flower which opens wide and has one petal longer than the other two petals. The plant is small with narrow leaves. The slender wiry 33-inch scape carries the flowers just above the foliage so the scape is hardly noticed. Flowers open early in the morning and stay out until dark; does not fade. Dormant, winter hardy, good grower and increaser.

True Charm

(1955)

\$20.00

No. 52-22 — No. 50-01 X Evelyn Claar

No. 50-01 is Kraus Red X Evelyn Claar

This is the very large maize colored flower which grew at the end of the brick walk in our back yard during the 1953 Convention. The flower is a self with no throat marking and no halo or eye. The petals are medium wide and very thick, opening to a 7-inch flower of much grace and charm. 40 inches tall; fertile both ways; deciduous.

Night Hawk

\$20.00

No. 52-40 — Vespers X No. T49-14

No. T49-14 is North Star X Joanna Hutchins

A very large, wide petaled ivory yellow self of ivory texture. The flower is wide open, with reflexed and curled petals and sepals. It is an evening bloomer which stays open all night, and all the next day. Does not fade until the new flower opens in the evening. The flowers are carried on strong straight scapes 38 inches tall. Good plant; semi-evergreen; fertile both ways.

Chivalry

(Dave Hall)

\$3.00

Nice bright red.

Pink Damask \$12.50

(Stevens)

A raspberry pink flower which is a very good grower. The medium large flowers are carried on strong straight 36-inch scapes. Winter hardy.

Signal Light \$20.00

(1955)

No. 49-8 — From Two Kraus Red Seedlings

A large, wide petaled flower of bright red, with a small yellow throat. The petals are overlapping and ruffled. The wide open flowers are carried on a 37-inch scape. Nice plant with blue green foliage. Semi-evergreen. Fertile both ways.

Evelyn Claar \$4.00

(Dr. E. J. Kraus)

One of the best of the new pink Hems. The foliage is blue green. The plant is deciduous and a good increaser; vigorous and winter hardy. The broad-petaled flowers are carried on 37-inch scapes which produce up to 40 buds per scape. A good parent both ways.

Lark Song \$6.00

(Fay 1952)

Vespers X Joanna Hutchins

Wide petaled, medium large, bright canary yellow self, carried on strong straight scapes 38 inches tall. A day bloomer which stays in bloom until dark. Deciduous and completely winter hardy.
